Rules & Regulations:

- Points will be tracked on www.winstelcontrols.com under My Account → Rewards Summary
- If a contractor accumulates 14 or more points, they can redeem multiple prizes at lower levels equal to the points they have acquired.
- The retail amount may also be redeemed in the form of a credit on the customer's account equal to the retail value of the reward.
- All unused points will be forfeited.
- Reward redemption requests **MUST** be made by January 31, 2027; Customers that do not submit their requests by these dates will automatically be given a credit on their account.
- Special job pricing and other promotional offers will be excluded from the program.
- All orders placed prior to December 31, 2026 will count towards promotion if product is backordered. Otherwise, orders must be delivered during promotional period. Backordered items must be taken within 3 weeks (once available).

Promotion Dates: Orders must be placed September 1, 2026 – December 31, 2026. Orders placed prior to but taken during promotional period may not apply.
