Nominal size (In inches)	16 x 25	20 x 25
Filter model	613	813
Filter eff. (MERV)	13	13
Filtering area (sq. ft.)	20.8	26.5
Shipping weight	16 lbs.	18 lbs.
Grille + filter pressure drop (in w.c.)*	05" @400	04" @400
	.08" @600	.07" @600
	.12" @800	.10" @800
	.17" @1000	.14" @1000
	.21" @1200	.17" @1200
	.28" @1400	.22" @1400
	.33" @1600	.27" @1600
	.33" @1800	.38" @2000
Operating environment	0°F-140°F	
Humidity	0-90% non-condensing	

OPERATION

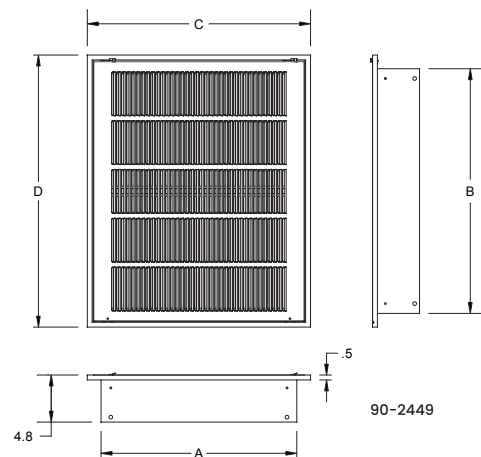

Self-Seal design to eliminate bypass and interlock rail system creates the perfect filter fit every time. Larger filter surface area means fewer changeouts versus one inch filters.

APPLICATION

The AprilAire Filter Grille Air Cleaner delivers high efficiency HVAC equipment protection in attic installations. Designed for new construction markets where attic installs are prevalent or the filter must be accessible from the living space. Add superior equipment protection and particulate removal where 1" filter grilles are currently used.

* Bolded CFM measurements represent grille face velocities above 450 fpm and are not recommended if noise is a concern. Systems above 3.5 tons should have two filter grilles.

DIMENSIONS	DESCRIPTION	MODEL	
		1625FG13	2025FG13
A	Inner Frame Width	16 1/16"	20 1/16"
B	Inner Frame Length	25 1/16"	25 1/16"
C	Outer Frame Width	18 15/16"	22 15/16"
D	Outer Frame Length	27 15/16"	27 15/16"

The submittal is intended to show general, overall product dimensions and provide guidance for installation clearance. Drawings are not to scale. Ensure submittals are current. Research Products reserves the rights to make product change without notifications or obligations.

5-year warranty on all installed products

(warranty does not apply to filters)
